REQUEST FOR RECONSIDERATION AND APPEARANCE

Re: Randall Delatte Campaign

10-G Campaign Finance Disclosure Report – October 12, 2019 Election

Docket ID: 2020-548

To whom it may concern, the facts of why the filing was missed has not changed. I have attached the obituary of a good friend and colleague and the 2-hour resignation notice from his office staff.

My last phone conversation with Mr. Reeves gave me the option for appearance, which I am requesting. Mr. Reeves also stated the purpose of the penalty was it was my client's responsibility for the filing to be timely and the death of my colleague was not in direct relation to Mr. Delatte. As I explained to Mr. Reeves, this penalty does not make a statement to the client as he will not have to pay it because he had an engagement my firm to complete the reports. Even IRS would be understanding of these issues, especially when they look at my history of filing timely, and they are tough to work with. To provide a quality reference of my usual work performance, I submit my firm as the filer of Layton Ricks Campaign for the last 5 or more years with minimal issue. I would hope this would show there was not neglect in this lack of timely filing - only a mistake made due to a certain set of circumstances beyond our control - and once we were informed, we filed it immediately.

Again, I am requesting to appear at the next board meeting to take sole responsibility for this omission so that my client does not have any blame on this issue and to answer any questions the board may have.

Sincerely,

Shelby Carnahan Andrews CPA

I worked with Keith for only about a year in his CPA firm and in that time, I have seen Keith as a very loving and caring person to all. He will be greatly missed. Thanks, Keith for a great experience. Margaret, I so sorry for your loss! You will be in my prayers.

Keith Carpenter (1956 - 2019) - Obituary

Keith and I were friends back in the day when we both worked at Exxon. We had some great times whether we were skiing in Colorado or sailing his boat in Florida. He greatly encouraged me in fulfilling a lifelong dream of mine. "You gotta believe" is something he always told me about it. We lost touch years ago when I moved away, and I'm sorry for that. Rest in Peace, Keith, and God bless you.
